## **Caring for your MiFi MF650**

Like any electronic device, the MiFi MF650 must be handled with care to ensure reliable operation. Any telco wireless recommends the following guidelines :

- Protect the MiFi MF650 from liquids, dust and excessive temperatures
- Do not apply adhesive labels to the MiFi MF650; they might cause the MiFi MF650 to potentially overheat and they might alter the performance of the antenna.
- Store the MiFi MF650 in a safe place when not in use

1. Reset button – Reboot the MiFi system
